

## Gold F2 Home—Learning Pack

Week commencing: 15/06/20

We hope you are enjoying your home learning. Here are daily ideas for maths, literacy and mindfulness but please organise your day in whatever way suits you.

We will be providing three different packs each week:

**Bronze — this is the easiest pack**

**Silver — most children should be able to do this pack**

**Gold — this is the hardest pack and has extra challenges**

There will also be a project for each week. We hope you enjoyed 'The Very Busy Spider project, this weeks is 'The Snail and the Whale.

You can also take a look at the Phonics and Maths Meeting files each week.

Please keep practising reading key words sounds and numbers!

Please keep in touch with us using our year group email if you need any help or have any questions.

[HAV.F2@oasishendersonavenue.org](mailto:HAV.F2@oasishendersonavenue.org)

Thank you  
F2 Team

## Online Resource Links for Extra Learning

### **Phonics/Reading**

There are daily phonics sessions live on Facebook and then available for 24hours on YouTube. Search Ruth Miskin speed sounds lesson

Set 1 speed sounds 9:30am

Set 2 speed sounds 10:00am

Set 3 speed sounds 10:30am

[www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) - There are free e-books for your child to read, you can find books that are at the same level as your Childs reading books from school. There are also other helpful hints, videos, ideas and worksheets that you can access.

[www.phonicplay.co.uk](http://www.phonicplay.co.uk) - Phonics play are offering free use of their website and you can now access it on smart phones and tablets. You can play games such as buried treasure and access free comics to for your child to read. <http://www.phonicsplaycomics.co.uk/>

[www.phonicsbloom.com](http://www.phonicsbloom.com) - This website has free access to a range of phonics games.

[www.teachyourmonstertoread.com/](http://www.teachyourmonstertoread.com/) - The website is free and has games to play to support phonics and reading. You will need to create and account to play. There is also an app that is currently free to download.

### **Maths**

<https://www.topmarks.co.uk/> - It has free maths related games with some that can also be played on tablets and mobile.

[www.bbc.co.uk/cbeebies/shows/numberblocks](http://www.bbc.co.uk/cbeebies/shows/numberblocks) - a website with songs and video clips to support the learning of maths.

[www.themathsfactor.com/](http://www.themathsfactor.com/) - You will have to create a free account to access the site.

### **Active/PE**

There is a daily PE session live on YouTube at 9am - Joe Wicks' channel The Body Coach TV. Go to YouTube, search, type in Joe Wicks pe sessions.

[www.gonoodle.com](http://www.gonoodle.com) - You can access the website or watch clips on YouTube.

[www.jumpstartjonny.co.uk](http://www.jumpstartjonny.co.uk) - You can access the website and find clips on YouTube

Cosmic Yoga Adventures on YouTube have short clips to support exercise at home.

### **Downloads**

[www.twinkl.co.uk](http://www.twinkl.co.uk) - are offering free access to their site where you can download Power-Points and worksheets linked to lots of different topics and sills. Go to twinkl, click home learning hub, click taster packs for parents and then select which you want to download.

[www.sparklebox.co.uk/](http://www.sparklebox.co.uk/) - free access to worksheets and other resources you can download

<https://tpet.co.uk/> - free access to worksheets and other resources you can download

To access Busy Things, go to [busythings.co.uk](http://busythings.co.uk) and click 'LOG IN'.

Please do not share these login details with anyone outside of your school.

# Day 1 – Literacy

## The Snail and the Whale

This week we will be exploring the story *The Snail and the Whale* by Julia Donaldson.

In the story 'The Snail and the Whale', the Snail visits many locations across the world. In today's session you will listen to the story, songs and see the pictures from the book.

Today's lesson is to listen to any version of the story. Here are some links:

<https://www.bbc.co.uk/iplayer/episode/m000cslw/the-snail-and-the-whale>

(BBC animation of the story as a short film)

<https://www.youtube.com/watch?v=EmMnaSkeKqQ>

(commentary over the story)

<https://www.youtube.com/watch?v=a9hmHFQIXXs>

(A song by Julia Donaldson about the story *The Snail and the Whale*)

(read aloud by Mrs Baker with permission from scholastic)

Talk about what you remember from the story. Think about where the Snail and the Whale went.

They visited hot and cold countries, can you name some hot and cold countries, you could look on Google or use a map or globe to help you think of where they might have been?

# Day 1 – Maths

This week are we going to look at the topic  
Patterns.

A snail has a spiral shaped shell and when they leave a trail it can also often be in a spiral shape. Follow the step by step instructions on how to make your own spiral dangler.

Step 1: take some paper and draw your spiral shape starting from the beginning to the outside edge.

Step 2: start to cut carefully from the outside lines.

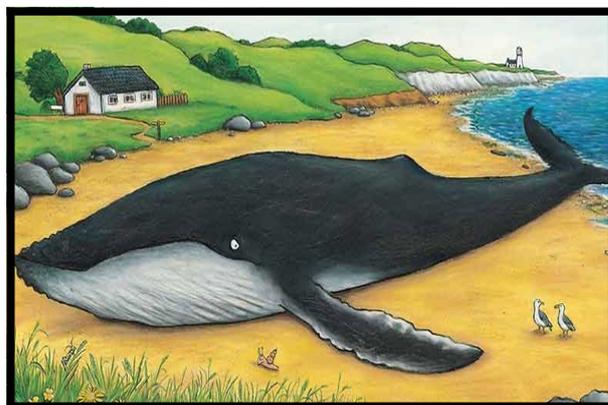

Step 3: keep cutting carefully into the centre of the spiral following the lines.

Step 4: open up your spiral dangler and hang it using string in the window or in your bedroom.

## Day 2 – Literacy

Think back to the story, *The Snail and the Whale* and think of the locations that they passed through on their journey around the world.

You have 3 pictures below which are pictures taken from the story. You need to think of a simple sentence you could write about the picture independently.

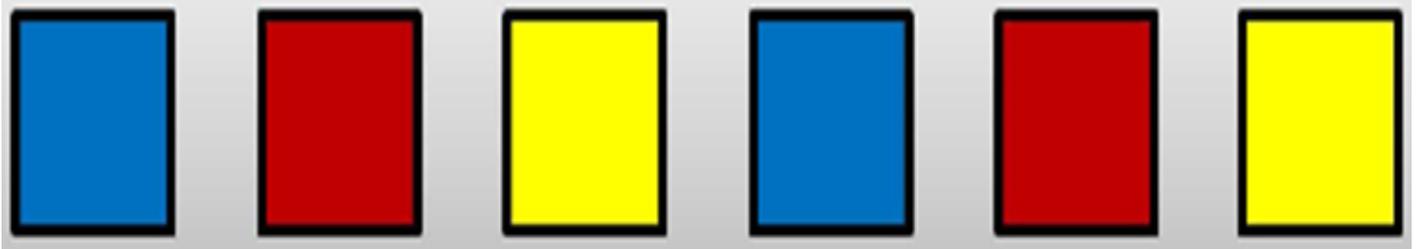

## Day 2 – Maths

We are going to carry on with our spiral theme and now we are looking at colour patterns. For this exercise you will need 2/3 colours of any various objects. e.g buttons, cubes, beads, paint, toys, sweets.

You will need to draw a large spiral shape so that you can put your objects onto it.

You are going to add a colour, then add a different colour, then another to make a pattern using 3 colours e.g. blue, red, yellow, blue, red, yellow.

In this example they are using skittles, but like I said you can use anything you have to create your spiral.

## Day 3 – Literacy

Today we are going to write words under pictures, these words are going to be used in your writing on Day 5.

Try hard to use your phonics to write the animal name, use the picture to help you with the word and ask an adult if are unsure.

Work out the names of the characters in the story as we will be using these characters in building our sentences tomorrow.

## Day 3 – Maths

Today we are going to think about patterns in more detail.

We are going to use something we have used before called a 'tens frame'. You draw your own circles or you can use objects on the tens frame.

You have two tens frames here that you can practise your repeating colour patterns on.

## Day 4 – Literacy

Here are some example sentences using the characters from the story. You need to read these sentences carefully or get an adult to read them to you. You need to listen to the sentences as you will be expected to write them with support on Day 5.

The words in red are red words and can't be sounded out.

The words in green are green words, which can be sounded out, some will need support.

The words in purple are adjectives to describe.

The tiny snail is on the whale.

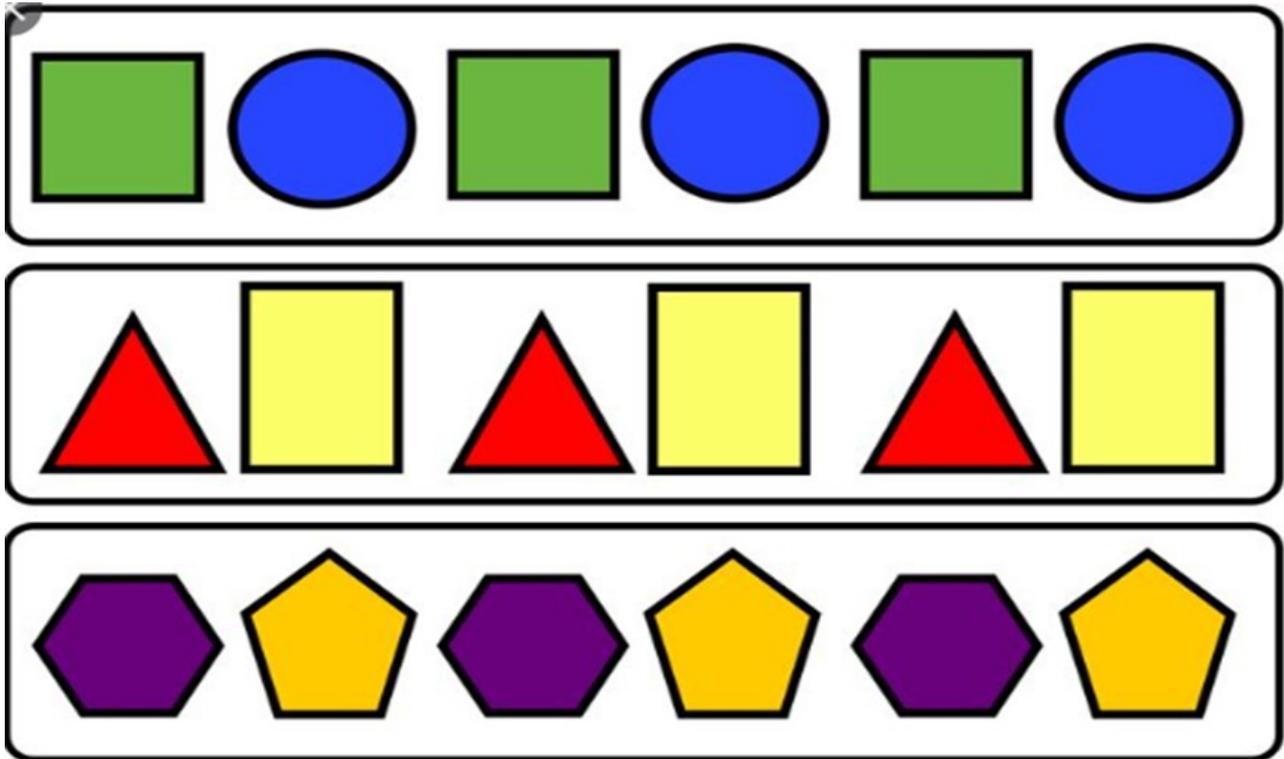

The snail is on the humpback whale.

The whale gets away from the scary sharks.

## Day 4 – Maths

Today we are continuing looking at patterns and we are carrying on with colour patterns, but we are going to look at adding another shapes into the pattern as well.

Example:

Can you make your own shape and colour patterns using 3 or 4 colours or shapes?

# Day 5 – Maths

Today you are going to use all of the knowledge of patterns you have learnt to describe the pattern under each one.

# Relaxation / Mindfulness

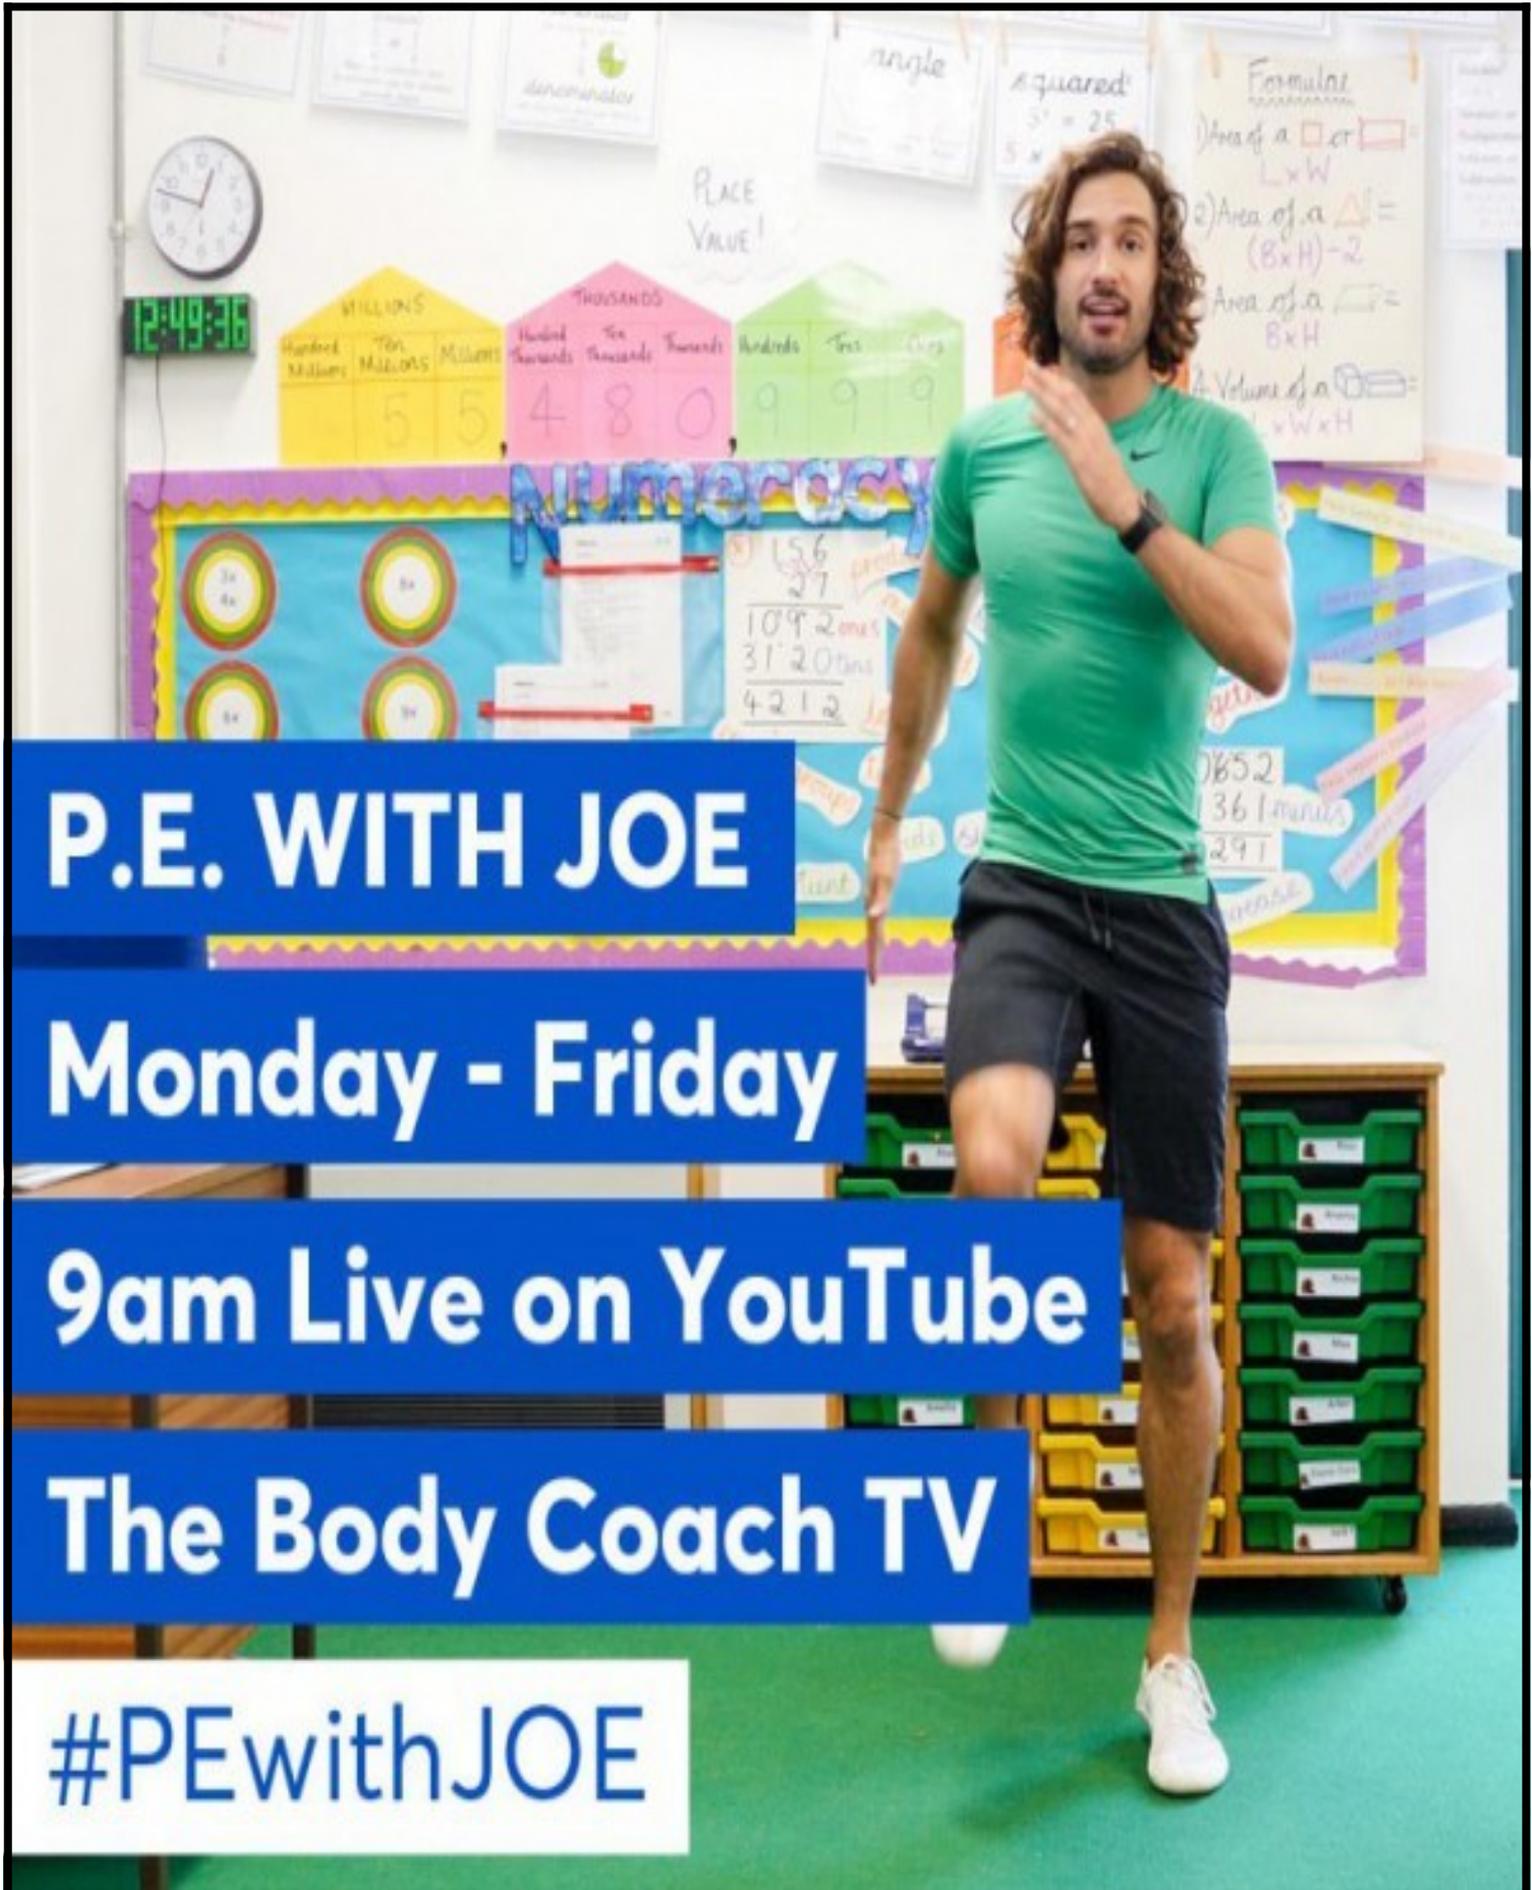

## Off on an Adventure

Can you help the snail find a path through the maze to hitch a ride on the tail of the whale?

P.E
