

## Bronze F2 Home—Learning Pack

Week commencing: 22/06/20

We hope you are enjoying your home learning. Here are daily ideas for maths, literacy and mindfulness but please organise your day in whatever way suits you.

We will be providing three different packs each week:

**Bronze — this is the easiest pack**

**Silver — most children should be able to do this pack**

**Gold — this is the hardest pack and has extra challenges**

There will also be a project for each week. We hope you enjoyed 'The Snail and the Whale' project, this weeks is ' Superworm' by Julia Donaldson.

You can also take a look at the Phonics and Maths Meeting files each week.

Please keep practising reading key words sounds and numbers!

Please keep in touch with us using our year group email if you need any help or have any questions.

# Day 1 – Literacy

## Superworm Julia Donaldson

This week we will be exploring the story, 'Superworm' by Julia Donaldson.

In the story 'Superworm', Superworm is a superhero who helps all of the other wildlife. He helps bugs, wasps, bees, insects, frogs e.c.t and they help save him from the nasty lizard and crow.

Today's lesson is to listen to any version of the story. Here are some links:

<https://www.youtube.com/watch?v=4pZwNie69n8>

(Commentary of the story)

[https://www.youtube.com/watch?v=SAu\\_LsBrQTY](https://www.youtube.com/watch?v=SAu_LsBrQTY)

(Story read by Fi)

(read aloud by Mrs Spikings with permission from Scholastic)

Talk about which insects and wildlife you see in the book, can you spot these?

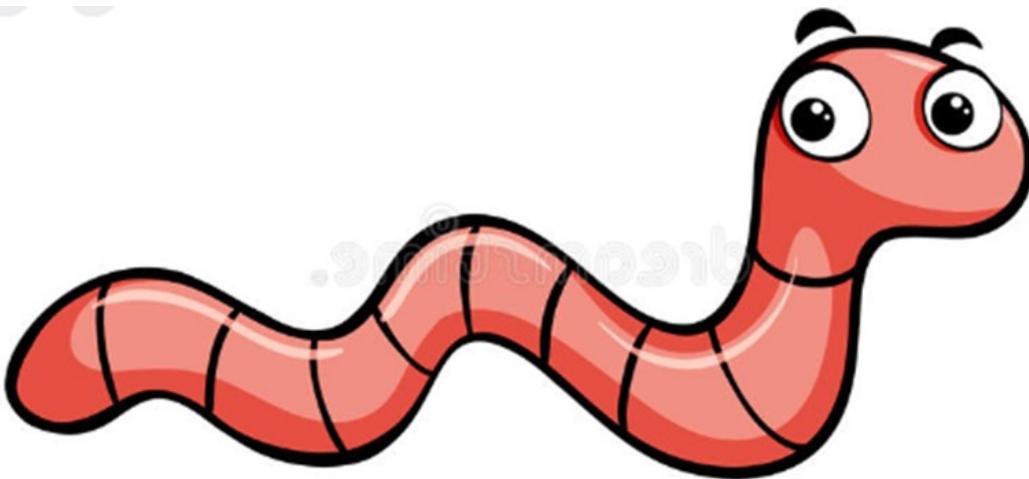

Superworm   bees   snail   slug   spider   lizard   crow

# Day 1 – Maths

This week are we going to look at the topic  
Measure.

Today we are going to look at length. Superworm needs ordering from longest to shortest.

Can you order the worms into longest first and then shortest at the bottom., can you put a 1 for the longest, 2 for the middle sized one and 3 for the shortest.

## Day 2 – Literacy

You are going on a worm hunt!!!

Can you go into your garden or into the woods on your daily walk (exercise) to see if you can find a worm.

Please try to wear gloves if you can and always be kind to the wildlife and when you find your own worm, you must put it back into the soil to help it stay safe.

You could make your own little wormery for the worm or your own bug hotel if you haven't got one in your garden. This will be a great place for the worms to live and have shelter.

## Day 2 – Maths

We are going to carry on with our measuring topic and you are going to something very fun today.

Today is a practical activity, where you are going to need to use your socks.

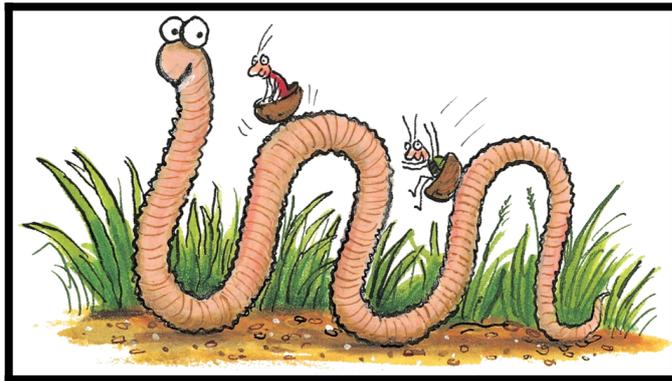

You are going to measure yourself using your socks to measure how long you are. You will need an adult to help you with measuring how many socks long you are.

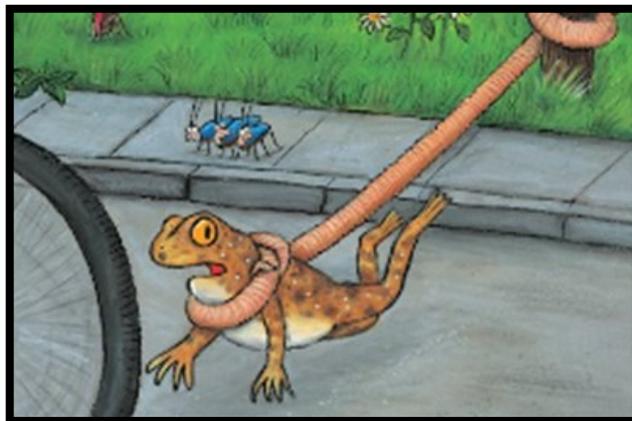

## Day 3 – Literacy

Think back to the story, Superworm and what heroic acts of kindness Superworm did to help his wildlife friends.

In today's session, we are going to look at the things that the Superworm did from the story to help his friends.

Superworm is a slide.

Superworm is a rope.

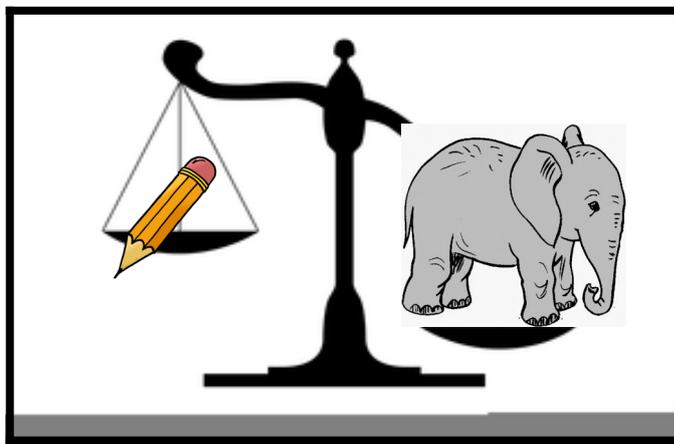

Can you remember any others?

## Day 3 – Maths

Today we are going to think about weight.

For today's session we will be thinking about which is  
'heavier or lighter'?

Look at the balances and the objects below and get your grown up to read the sentences underneath about the objects on the scales.

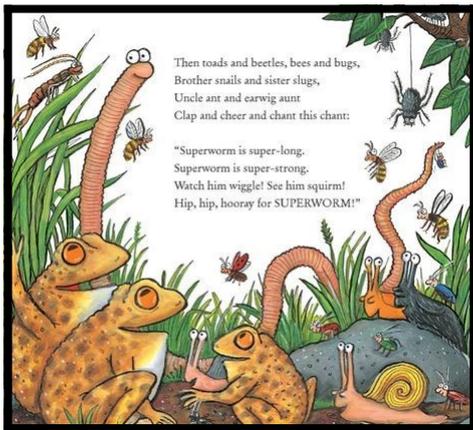

The elephant is heavier.  
The pencil is lighter.

The monkey is heavier.  
The cup is lighter.

## Day 4 – Literacy

Here are some CVC and CVCC words from the story with a picture to help you say the words. There may be some simple special friends in the words but these are ones we have done before. Look closely at the picture and use your fred fingers to sound out.

bug

buzz

rock

mud

## Day 4 – Maths

Today we are going to look at size.

You are going to have fun finding objects from in your home to see which ones are bigger or smaller than the other.

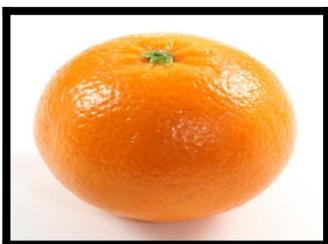

You need to compare the sizes of different objects.

Make sure you use the words 'bigger' and 'smaller' when comparing your objects.

Here are some examples:

The toy is bigger than the pencil.  
The pencil is smaller than the toy.

The orange is smaller than the bed.  
The bed is bigger than the orange.

# Day 5 – Literacy

Can you practise writing your name?

Make sure your letters are formed correctly.

Can you make it neater each time?

## Day 5 – Maths

In the last session for this week we are going to look at weighing scales and you are going to say which side is heavier.

Look at the blue weighing scales, circle the side which is heavier.

Look at the green weighing scales, circle the side which is lighter.
