

## Covid Children's Symptoms Update

Please remember that your child should continue to attend school unless they develop symptoms or are unwell. If this happens, please keep them at home and arrange for a PCR test. Please let us know as soon as possible.

The 3 main symptoms remain:

- Continuous cough
- Temperature
- Change in taste or smell

We have been advised that the DELTA variant has symptoms in children that can include:

- Headache
- Sore throat
- Sickness
- Tiredness
- 'Cold' symptoms

If your child has these symptoms, please also arrange for a PCR test.

Please remember to telephone the office if your child is absent for any reason; phone lines are open from 8.00am.

## Messages for Parents

---

### Flu Immunisations F2 – Year 6

The School Nursing Team will be at the academy on **Thursday 21st October** to administer the flu immunisations. There will be a follow up session for any children that are not present on that day on Friday 28<sup>th</sup> January.

The forms have now been distributed and should be returned by Monday 11<sup>th</sup> October even if you do not wish your child to receive the vaccine.

### Harvest Celebrations

We will be celebrating Harvest with activities during the week commencing 18th October.

We would like to make a harvest collection of **tinned and non-perishable goods** (nothing fresh thank you) which we will donate to a local charity. If you would like to make a donation to this collection, please send items in with your child.

Thank you for your continuing support.

### Health & Safety

#### Bicycles/Scooters

May we please remind you that adults and children must not ride bicycles/scooters on the academy premises. Unfortunately, members of staff have been ignored when asking parents/children not to ride bikes/scooters at the start/end of the school day.

This is to ensure the health and safety of other parents/children on academy premises.
