## Year 6

Last week, the Year 6 children celebrated Remembrance Day. They made blackout poetry, pieces of chalk art and a hanging information leaflet. This has now been displayed around the school for any visitors to see.

## Children in Need 2021 Thank you!

A massive thank you for all your kind donations for Children in Need this year! Thanks to your generosity we raised the fantastic amount of **\*\*\*£727.62\*\*\*!**

Thank you as always for your support!

## Year 6 Fundraising

Our group of Year 6 pupils who like to fundraise have asked if they can do some more fundraising this Christmas. They will be raising money for children in war torn countries, Yemen and Syria as well as our own children at Henderson Avenue. The boys are organising the fundraising themselves and are going to hold a chocolate raffle, a treasure map and guess how many sweets in a jar.

They would like to ask that you support them in their fundraising by donating a chocolate bar to their hampers. They are holding another charity meeting on Monday where they will discuss when they will be selling the raffle tickets and setting up their other two games. I do hope you can support our young enterprising pupils. Thank you

## Christmas Hamper Raffle

We will be holding a Christmas hamper raffle; tickets will be priced at **£1.00 per strip** and will be on sale at the beginning and end of the school day from Tuesday 30<sup>th</sup> November. We are accepting cash on this occasion.

Thank you for your continued support!

## Christmas Cards

From Wednesday 1<sup>st</sup> December, children can bring in Christmas cards for their friends. The cards must have children's names and classes clearly marked on them. Unfortunately, due to GDPR we are unable to supply lists of children's names.

## Collection of Photograph Orders

Braiswick Photographic will be collecting the photograph orders which have not been ordered online on **Wednesday 1<sup>st</sup> December**. Please ensure that orders are brought in before home time on Tuesday 30<sup>th</sup> November to ensure that you receive your order before Christmas.

## Attendance

Evidence shows that absence from school has a negative impact on children's learning, and we see this in school: children who miss time really do fall behind in their learning. Being late also makes a difference as children miss the vital first minutes of the day's learning if they do not arrive on time. Please work with us to make sure that your child achieves their full potential this year!

ALL pupil absences must be reported every day that your child/ren are not in school. You must ring the school office on **01724 842518** and select **OPTION 1** no later than 9.30am. Please speak very clearly leaving your child's full name, class and reason for absence. If your child is poorly, please ensure you contact the academy on each day of illness.

Whenever possible, please make medical appointments out of academy hours. If this is not possible, appointments must be accompanied by medical proof i.e. appointment cards/medical letters.

Please help us by encouraging and supporting your child/ren to attend the academy every day and on time! Thank you.
