

Weekly Update

Week beginning: 17th January

Year 3

Year 3 have been looking at strengthening materials to build structures. Last week they built a tinfoil tower to see who could build the tallest free standing tinfoil tower and this week they used spaghetti and marshmallows to see if they could build a stable structure.

Year 6

Year 6 have recently been making some healthy snacks and are going to write some instructions on them. Take a look at what they made!

Flu Immunisation Catch-Ups

The School Nurses will be at the academy on 28th January for the flu immunisation catch-up session. This session is only for children who had returned the forms prior to the original date but were poorly or did not have the vaccine for other reasons. Unfortunately, they are unable to accept any late forms. If your child missed the original session but have since had their vaccine, please contact the vaccination team on 01302 566612/01302 566611 to update your child's records.

If your child in Reception – Year 6 has not had their flu vaccination and you did not return a form to the academy there is a drop-in session on Wednesday 26th January (3.30pm – 5.00pm) at the Tesco Extra site (near the football ground).
