

Dear Parents and Carers,

We have had a delightful start to the autumn term. The children have returned with real enthusiasm and such a positive attitude towards their work that it has been humbling to see and they make us proud on a daily basis.

All children are doing really well.

## NURSERY

Our new children have settled into Nursery (Foundation 1) really well and look very smart in their school uniforms.

## WEEKLY UPDATE

Week beginning: 19<sup>th</sup> September

## FOUNDATION 2

Foundation 2's special book is 'The three little pigs'; the children could read the book or watch the video on YouTube:

The Foundation 2 teachers are also asking that the children practise writing their name. This can be any way that they would like either chalk, pencils, pens, felt tips, etc.

### YEAR 3

In Year 3, the children have produced some lovely artwork developing ideas around the theme 'Who am I and who am I becoming?' They created a wash background using water colours and collaged on some clippings of many of their favourite things and things they like doing.

### YEAR 4

The children in year 4 have thoroughly enjoyed their first couple of swimming lessons at the Pods. They showed great courage and determination. All the staff were very proud of them and cannot wait to see how their skills progress.

Just a quick reminder to parents to make sure that on swimming days children bring a towel, appropriate swimwear (not PE shorts) and that all jewellery is removed. Thank you

### YEAR 5

Year 5 have been enjoying their outdoor PE lessons in the lovely autumn sunshine. They have been working hard on their fitness levels and recording the results on their iPads. We can see improvements already. Keep it up everyone!

### YEAR 6

Year 6 had a fantastic time at Robinwood. They were able to experience so many new activities including canoeing, raft building, trapeze, and zip lining! The children showed so much resilience, persistence and teamwork and we couldn't have been prouder!
