

Sensory Needs in North Lincolnshire

'A Workshop for Parents and Carers'

29 March 2019

at the Learning Development Centre, Scunthorpe

9.30am - 12noon

The Workshop

This workshop is an exciting opportunity which has been co-produced and funded by the Local Authority and the Parents Involvement and Participation (PIP) Forum. It is designed specifically to help support **parents and carers**. Joanna Grace will talk you through how Sensory Needs influence behaviour and provide some really practical strategies for you to use at home.

Guest Speaker: Joanna Grace

Joanna came to North Lincolnshire in 2018 to deliver a keynote speech and workshop at our SEND Conference for School Leaders. She was so well received that we have asked her to return in 2019. She will share more of her thinking and many practical approaches to supporting children and young people with Sensory Needs. Jo is an international sensory engagement and inclusion specialist, trainer, author, TEDx speaker and founder of The Sensory Projects.

Benefits of Attending:

- Parents and Carers will be clearer in their understanding of Sensory Needs and more confident in knowing how to help their children.

Book Your Place Now by one of the following methods by the 15 March 2019

E-mail: courses.team@northlincs.gov.uk , **Tel:** 01724 297281
