

'Book Start' Project (Nursery only)

The Nursery children have had a fun first week taking part in the 'Book Start' Project. Next week's focus is all about 'Sharing books and stories' and the Nursery children will be coming home with a lovely book about Pirates!

Remember to look on the Nursery Class Dojo and Nursery doors for more information.

Year 2

Year 2 have had great success learning to weave in Art.

Making Jam Sandwiches - 3B

Last week, 3B followed instructions how to make jam sandwiches. This helped the children use a variety of imperative verbs and adverbs to help them be specific. The children also started to use fronted adverbials such as first, then, next and after that! The children had a lovely morning taking part.

Weekly Update

Week beginning: Monday 3rd May

Body and Soul with Mr Motivator

10th -14th May 2021

Oasis Academy Henderson Avenue will be joining other academies in the country to take part in 'Body and Soul with Mr Motivator' next week. Body and Soul has three aims:

- To get everyone motivated as the last Covid restrictions are relaxed on 17th May and life goes back to something like normal.
- To raise funds towards work to support young people's mental health.
- To make a record attempt for the most people performing a fitness routine.

Children will be rehearsing the routine from Monday 10th to Thursday 13th May ready for the 'big event' on Friday 14th May.

On Friday 14th May we would like to raise some money to help support children's mental health and would like to invite all children to come in their PE Kits. If you would like to send a voluntary contribution that would be greatly appreciated.

We are sure that the children will have a fun week rehearsing and taking part in the 'big event'.

Academy Garden

The children have started working on the raised beds in the main playground; the first crop to be planted was potatoes.

We are also preparing for the autumn; children have planted pumpkin seeds.

Fingers crossed for a bountiful harvest!

Class Attendance (up to 6th May)

Health & Safety - Bicycles/Scooters

May we please remind you that adults and children must not ride bicycles/scooters on the academy premises. Unfortunately, members of staff have been ignored when asking parents/children not to ride bikes/scooters at the start/end of the school day.

This is to ensure the health and safety of other parents/children on academy premises.
