SECTION 4: OCL Graduated Approach

Identifying children at SEN Support

Parents sometimes ask us to look more closely at their child's learning. We take all parental requests seriously and investigate them all.

Although the school can identify special educational needs, and make provision to meet those needs, we do not offer medical diagnoses.

SECTION 9: Local Offer

The SEND Local Offer in North Lincolnshire aims to provide parents with the information you need, or want to know, about resources, services, support, activities and events for North Lincolnshire's children and young people with Special Educational Needs and Disabilities and their families. Information is arranged according to age from pre-school through to early adulthood. It can be found at the following link:

<http://www.northlincslocaloffer.com>

The Academy's SEND Parent Information Report can be found on the Academy's website, this provides parents with information on what support is in place for pupils with SEND at the Academy.

The local SENDIAS can provide independent support to families and their information is on the Local Authority Local Offer website.

Admission Arrangements

We follow the Local Authority's admission policy.

Transition

At the end of each academic year teachers will pass on any SEND or medical information to the new class before the new academic year begins.

When children with SEND transfer to Secondary School the class teacher and/or SENCO will liaise with the staff of the prospective secondary schools and hand over all SEND documentation prior to the new term beginning. The secondary school staff are invited to final EHC review meetings of the year 6 pupils.

Where children with SEND transfer to another primary school SEND records will be forwarded within 15 days of the child ceasing to be registered at our academy.

If a child transfers into the Academy during the academic year, the Academy will endeavour to obtain the child's records from their previous school as soon as possible.

SECTION 16: Arrangement for complaints

If a parent or carer has any concerns about a child these should be addressed to, in the first instance, the child's class teacher.
