HENDERSON AVENUE MAIN GATES

We would like to remind you that the Henderson Avenue main gates are closed from **8.45am-9.15am** and **3.00pm-3.30pm** daily. We have noticed a number of parents bringing their children in private taxis; this causes problems for gate duty staff, who cannot always differentiate between a Local Authority commissioned taxi, bringing students to Coritani, and our parents. There is no access for parents' cars between the times stated. This is for safety reasons and we appreciate your co-operation.

Unfortunately, any lost property left by the half term break will be bagged up and recycled.

NO SMOKING POLICY

We would like to remind you that smoking is not allowed on any part of the academy site. This is for the health and safety of children and parents.

THANK YOU!

ACADEMY PHOTOGRAPHS

Thank you to all of the parents who purchased their children's individual and group photographs at the end of last year. The sales raised the fantastic amount in commission for the academy of **£623.13** and **£96.00** to be donated to Cancer Research.

MRS KAREEM

Thank you to Mrs Kareem of Mix Max for her kind donations of books and toys for the academy, they are greatly appreciated!

SCIENCE FAIR

The annual University Centre Science Fair from the Education, Bioscience and Engineering staff and students will take place on **Wednesday 14th February** at the North Lindsey College Events Centre. This event provides an excellent opportunity to experience and understand the science behind some fun experiments. These experiments could then be recreated with young children.

Families are invited to attend between **11.00am-1.00pm, 2.00pm-4.00pm** and **6.00pm-8.00pm**.
