PRINCIPAL'S MESSAGE

As you know, we are breaking up today for the long summer holiday. Thank you for all your support through the year; it really has been a good one! It's not just about academic results though, although those are improving every year, but about how much children want to come to school every day and enjoy their learning. This year our children have enjoyed success in music festivals in Brigg and Scunthorpe, our improving football teams are now starting to win more matches, and all of the children have enjoyed a wide range of activities both near and far, including residential trips to Whitby and PGL. I'm proud to say that wherever they are they are always wonderful ambassadors for the school and the community, displaying impeccable good manners and a positive attitude to learning.

We are very sad to say goodbye to our Year 6 children. They have been a great Year 6 and finished off their time with us with an impressive performance of which all of the other children really enjoyed. It was lovely to see them enjoying themselves at the Year 6 Leavers' Party last night – they looked so grown up and ready to move on, so we wish them good luck for their future success at secondary school and look forward to hearing about how they are doing

There is, sadly, just one area that definitely requires improvement which is attendance. This year we are way off the national average (and our target) of 96%, with a very poor 94.4% for the year. 133 pupils have taken unauthorised holidays, which has meant 805 days of lost learning. We really do need to do better next year, as it is a fact that absence from school has a long-term, detrimental impact on learning and a child's future life chances.

So we are all taking a well-earned break. I hope the good weather continues, and that you all have a safe and happy holiday, and look forward to seeing you again on **Tuesday 4th September at 9:00 am**, when the new year starts.

There will be a special Battle of Britain Memorial Flight Flypast, live music from Miss Marina Mae and George Formby Experience, static aircraft displays, living history, tethered hot air balloons, food and drink stalls, Northern Lincolnshire aviation history exhibitions and children's activities including craft, archery and airsoft, visitors can also watch skydives taking place throughout the day.
