

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, you can use your funding to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

You should not use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)

Online reporting

You must publish details of how you spend your PE and sport premium funding. This must include:

- the amount of premium received
- a full breakdown of how it has been spent (or will be spent)
- the impact the school has seen on pupils' PE and sport participation and attainment
- how the improvements will be sustainable in the future

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

This condition has been added in response to recommendations from the Swim Group, who reviewed curriculum swimming and water safety in primary schools. You can get [advice and resources to help deliver swimming lessons successfully in primary schools](#).

To help you plan, monitor and report on the impact of your spending, it's recommended that you download a template to record your activity. The Department has commissioned partners in the physical education and school sport sector to develop a template, which is available at:

- [The Association for PE](#)
- [Youth Sport Trust](#)

Accountability reviews

Accountability reviews will be carried out after the April deadline for schools to have published details on their websites of how they have spent their premium funding. We will sample a number of schools in each local authority, with the schools chosen based on a mix of random selection and prior non-compliance with the online reporting requirements.

PE and sport premium strategy statement:

Summary information					
Academy	Oasis Academy Henderson Avenue				
Academic Year	2019/20	Total PE and sport budget	£21,360	Date of statement	Sept 2019

Key achievements to date: 2018-19	Areas for further improvement and baseline evidence of need: 2019/20
<p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity. More pupils are participating in sporting events and children have experienced the honour and pride in representing their school. E.g. EIS trips, triathlon, dodgeball, football, athletics. The range, variety, quality and expertise of after-school sporting provisions/healthy lifestyles is increasing (Skip for Life, Catch-It!) Clubs such as football (boys and girls), judo, dance, athletics, dodgeball, circuit training, boxercise. More inclusive competitions for children who do not usually participate in sports or those who find accessing sport difficult e.g. football, girls' only events, colour runs Children and parents have been given the opportunities and encouraged to adopt a healthy lifestyle with a pupil referral scheme set in place. New playground markings to increase active playtimes <i>Evidence: club lists, event list, referral forms</i></p> <p>Key indicator 2: The profile of PE and sport The profile of PE has increased meaning it has a higher status within school. Pupils are speaking more positively about physical activities and exercise and the level of participation has improved. (Pupil Voice). House Captain training (Champions) Primary Ambassadors training with Get Ahead Programme. Social media to highlight events and results (see fb) & Newsletter to promote and highlight sport in school. Staff wearing the PE kits and pupil PE kits being introduced Also we have been more successful in inter competitions and competition to a higher level. Applied for Sainsbury's School Games. <i>Evidence: Pupil voice records. Introducing a trophy cabinet. Bronze award for school Games. Newsletter evidence</i></p>	<ul style="list-style-type: none"> • Increase number of pupils onto referral system and inform parents about adopting healthy lifestyles • Monitor provision and increase more testing to check fitness levels in order to improve levels • Use playground equipment/lines to encourage active play times • Introduce playground zones and kit/equipment implemented by the house captains. • Increase monitoring of attendance and fitness levels • Improve the notion of Personal challenge within PE lessons and competitions • Continue to enhance the opportunities for our less active and other targeted groups • Train staff up with using playground markings equipment • Apply for the Sainsbury's School Games for gold award • Look to invite local sporting role models into school • Invest in a sport board • Introduce sport/PE kit for Pupils

Key indicator 3: Confidence, knowledge and skills of all staff in teaching PE and sport.

Conducted staff PE audit (confidence improving)
 INSET training (PE small games, Fit Kits introduced, active classrooms)
 Teacher training continues to increase the confidence and skill of the class teacher in delivering high quality PE lessons.
 Trained staff delivering circuit/HIIT sessions
 TAs trained to support in swimming sessions
Evidence: A lead teacher trained to support staff internally and externally through the school sports network. Staff attending courses e.g. boxercise, gymnastics, specialist gymnastic coach supporting year 2, 3 and 6 for 6 weeks. Staff audit

Key indicator 4: Broader experience of a range of sports and activities offered.

Pupil voice conducted (whole school)
 Future Stars event to try and encourage and inspire future stars
 Bikeability successful - 94% of children successfully passed level 2 (Year 4s embarked upon learn to ride scheme (pre-pedal) - all passed and able to ride a bike
 More curriculum time has been allocated to healthy lifestyles activities as a result of weekly Physical Friday PE sessions and Healthy Body, Healthy Minds lessons.
Evidence: timetables and learning walks to help improve provision

Key indicator 5: Increased participation in competitive sport

Competitions included – dodgeball, football x2 (competition finish runners up), Primary Dance Showcase, sports hall development, Fittest School in the UK (finishing position of 15th in the country)
 Do yourself Proud event (colour run)
 Sports day successfully run and organised
 Quad Kids event
 Athletics Championship at the EIS
 Get Going regional event in Hull.
Evidence: reaching the semi-final of the Humber cup in football. Winning the league in Football year 3-4 and runners up in the Y5-6. Finishing 3rd in the indoor athletics. Introducing a trophy cabinet. Winning year 5/6 football inter school cup. Bronze award for school Games. Feedback from parents (survey monkey)

- Provide more training for staff (including new) INSET and specialised
- Specialized gym teacher to work alongside staff. (Aut 2)
- Provide more opportunities for more inclusive sporting events
- Train more staff to support with swimming

- Provide more opportunities for more pupils to participate in sporting events including KS1 pupils.
- Offer a wider range of clubs to children. Signpost clubs to parents and children outside of school
- Increase the percentage of children leading an managing sports events
- Continue with Learn to Ride and Bikeability
- To continue to offer Boxercise to specific groups to support them in their physical and emotional need
- Invest in workshop week for different activities (taster days)

- Increase the % of children who represent the school in competitive sports
- Increase the schools intra competitions and give more children the chance to compete.
- Enter B and C teams into more competitions
