VACANCY FOR PARENT REPRESENTATIVE ON THE ACADEMY COUNCIL

As previously advised in an earlier newsletter, there is now an opportunity for a Parent Representative to join the school's Academy Council. If you are interested in taking on this role and are the parent of, or have parental responsibility for a child currently attending the Academy, please complete and return the nomination form which will be sent home with every child next week.

To be nominated, the parent or carer wishing to serve on the Academy Council must be proposed and seconded by two different parents or carers of children attending this school. If more than one candidate is nominated then a ballot will be held to elect the new Parent Representative. If you would like any further information regarding this role, please contact Lisa Foster at the Academy.

BIKES AND SCOOTERS

Last night a child was knocked over by another child on a scooter; we have told the children that they are not to ride bikes and scooters on the school grounds. If children continue to ride their bikes and scooters on the school premises they will not be permitted to bring them in the future.

There are also a number of older siblings from The St Lawrence Academy who are causing problems at the end of the school day and if this continues we will contact parents and request that they no longer come to pick up brothers and sisters.

WELCOME!

Nursery have welcomed two new friends this week; they have two new pet guinea pigs. The children will be picking names for them over the next few days.
